"That MR. CYRIL SCOTT is a musician of very great attainment already there can be no doubt, nor can there be any fear but that he will soon rise to greater heights than at present perhaps even he has dreamed of...."—*The Times.*

"Time was when MR. CYRIL SCOTT was reported to be a slavish imitator of Debussy, but that time has gone, and though the two have a relative idiomatic sense, they part company at the expression of it."—*Daily Telegraph.*

"MR. CYRIL SCOTT'S piece, "Sphinx," is a fine example of the expressive in music. It has the merit, moreover, of being entirely original in its phrases, and its inherent qualities should commend it to pianists who care to essay their powers, in some direction other than that of showing a command of the keyboard."—*Morning Post.*

"MR. CYRIL SCOTT, is one of our younger moderns who displays not only a very marked individuality, but a far greater feeling for imagination than is exhibited by the majority of his contemporaries."—*The Standard.*

"MR. CYRIL SCOTT should suffer the pain of seeing his songs appreciated by the public. One of the new compositions "Lullaby," is quite a striking little lyric."—*Daily News.*

"When MR. CYRIL SCOTT'S compositions were first published there were many critics who prophesied that in him we should find a worthy leader for the new and progressive musical movement in this country. To us Mr. Scott appears at the present moment a musician of far greater promise than he ever did before."—*Manchester Guardian.*
